

In addition to our range of network cabling, we provide systems for Intruder Alarms, CCTV IP/Analogue, Access Control, Time & Attendance and Remote Monitoring/Redcare GSM

- **CCTV**

Closed Circuit Television is not only a commercially viable product as the technology has now been adapted to extend into the public market. A well installed system can be integrated into your house and give you complete perimeter visibility of your property either manually or automatically from either your office or arm chair.

- Digital recording and storage
- Remote monitoring and storage
- IP/Analogue cameras
- 24 hour maintenance, service, monitoring packages available
- Motion detection and integration

Our CCTV systems can be accompanied with a 24hr Monitoring service that along with our intruder service will offer you 24hr peace of mind and security.

***For more information or for FREE quotation please feel free to contact us at [Info@assisttec.co.uk](mailto:Info@assisttec.co.uk)***

Some of the above work is carried out by one of our specialist business partners but still carries our full guarantee.
